

Bug Center

This is where you can report bugs you found. Feel free to either use the comment tool on this page to create a new thread or post your bug report on the [ZnD Discord-Server](#).

Before posting a bug please first check, whether your bug is already known by searching existing comments/threads on this page, on the [known bugs/issues page](#) or on the [ZnD Discord Server](#).

When posting your bug/issue please try to use this form.

Title:	<A short informative title>
Issue Description:	<A longer description of what exactly happened or you did before the bug occurred - ideally with pictures or video of the bug>
How to reproduce:	<Steps how to reproduce the bug>
Possible Fix:	<Only necessary if you already happened to find a solution>

Hint: You need to be logged in to be able to comment.

Revision #2
